Connecting You To...

Housing & Care Options

ADRC Specialists can meet with you to explore your options for housing and care needs. Having a plan in place can ease your concerns.

Benefits Counseling

Your Benefit Specialist will help you cut through the red tape of confusing private and government benefit programs and advocate on your behalf.

Health & Wellness

Your ADRC can direct you to resources and classes to help promote your independence - Stepping On (falls prevention), Living Well (chronic disease self-management), Walk with Ease (arthritis exercise).

Long-Term Care Expenses

Your ADRC can assess your level of need for long term care services and determine your eligibility for financial assistance. We will present you with options to choose a living situation that is right for you.

Free & Confidential Assistance

Providing information, assistance and advocacy to older adults, persons with disabilities, and their families to promote healthy choices, independence, and an enhanced quality of life.
