Financials – October 2024: Time Reporting capture rates were down in October because employees are using personal time off before the end of year. After reviewing the financial reports, Helmert moved to approve cash disbursements in the amount of \$76,460; Ackley seconded. All Ayes. Motion Carried.

Forest County Contract to Process ADRC-NW Payroll Beginning on Payday 12/27/24 (Pay Period 12/08/24 – 12/21/24): Forest County start processing payroll Payday 12/27/24 (Pay Period 12/8/24 -12/21/24). Since employees are already using ADRC timecards, annual leave forms and personal expense vouchers the Board proposes they continue using them through the end of the year. The ADRC-NW will send the timecards as well as a payroll spreadsheet to Forest County so they can process payroll. This will continue until the end of the year. In order to maintain consistency for auditing purposes, Kerber Rose will continue to process Covid Grant payroll hours and expenses for both ADRC-NW Forest and Taylor County employees; Kerber Rose will continue to process Taylor County payroll. Lemke moved to proceed with the above Boards proposal. Dubiak seconded. All Ayes. Motion Carried.

Employee Conflict of Interest: The State of Wisconsin says that one of our employees definitely has a conflict of interest because she is running a respite care facility while working for ADRC-NW. They want us to deal with this issue before the end of the year. Lemke moved to write a letter to the employee explaining the situation and asking for a resolution; Dubiak seconded. All Ayes. Motion Carried.

Discuss Taylor County Resolution No. 43: Several years ago, the ADRC-NW asked both Taylor County and Forest County for a non-interest-bearing loan that would come due if and/or when the ADRC-NW dissolved.

The outstanding balance on these loans is \$75,000 for each county. Chair Lee informed representatives of Taylor County that the dissolution of the assets of the ADRC-NW will be made as follows: Payments for client services will be paid first, then payroll and then all bills from vendors. Bub said he thinks the furniture, computers and desks that are being used in each county should remain there even if that results in an unequal split per County. Lemke moved Forest County, Taylor County and the ADRC-NW itself write letters to our State Representatives, State Senators and the Governor to see if there is something that can be done to ensure that the \$75,000 loans are repaid. The Board felt the State caused the problem and should rectify it. Dubiak seconded. All Ayes. Motion Carried.

Covid drawdown: 1) The State of Wisconsin had extra covid funds and is now using them to encourage people to get covid vaccines. 2) Forest County and Taylor County are receiving \$45,000 to re-brand the individual ADRCs after the dissolution. Dubiak moved to accept these funds; Lemke seconded. All Ayes. Motion Carried.

Dissolution Checklist: Almost everything is already done except our Board needs to pass a dissolution resolution. We are waiting for our attorney to provide this resolution. Our Disability Benefit Specialist had a review with her program attorney who raved about the job she is doing.

Regional Manager Update: 1) Zarda set up a meeting with the screening liaison to ensure employees are not taking too long to complete long term screens at the present time and what the standard is. 2) We will have just one company do the audit for 2024, and we will use the same company as last year.

Future Agenda Items: As Needed. The next meeting of the ADRC-NW Board of Directors will be Tuesday, December 17, 2024 in Crandon.

Adjournment: With no further business, Bix moved to adjourn; Dubiak seconded. All Ayes. The meeting was adjourned at 12:35 P.M.
